### Account Minimum Balance Requirements and Charges

#### Affinity Current Account

There are no minimum balance requirements to operate your account.

However, if the total monthly balance of all your accounts with us, such as Current Account, Savings Account and Fixed Deposit Account falls below 250 currency units, administration charges may apply. Monthly Average Balance calculation is done on the Customer ID level.

The administration charge is calculated by adding the daily closing balance of all your accounts with us for the month and dividing it by the total number of days for that month. The following administration charges are applied to your account on the basis of your monthly average balance:

Total Monthly Average Balance (Currency Units)	Administrative charge for the respective month (Currency Units)
250 and above	0
250 - 0	3

These charges will be levied on the Affinity Current Account.

#### Non-Individual Current Account

There are no minimum balance requirements to operate your account.

However, if the total monthly balance of all your accounts with us, such as Current Account, Savings Account and Fixed Deposit Account falls below 1,000 currency units, administration charges may apply. Monthly Average Balance calculation is done on the Customer ID level.

The administration charge is calculated by adding the daily closing balance of all your accounts with us for the month and dividing it by the total number of days for that month. The following administration charges are applied to your account on the basis of your monthly average balance:

Total Monthly Average Balance (Currency Units)	Administrative charge for the respective month (Currency Units)
1,000 and above	0
500 - 1,000	3
Upto 500	5

These charges will be levied on the Current Account.

### Fixed Deposits

#### With Premature Withdrawal option:

In case a deposit is withdrawn prematurely, interest on the deposit will be calculated at the rate applicable for deposits for relevant tenure (as existing at the time of opening of the deposit/sought to be broken), less the premature withdrawal fee of 1% flat on the principal and interest, subject to protection of the principal.

#### Without Premature Withdrawal option:

The Fixed Deposit cannot be closed by the depositor before expiry of the term of such deposit. However, the Bank may allow premature withdrawal of these deposits in following exceptional circumstances: in the event of any direction from any statutory and/or regulatory authority or deceased claim settlement cases. In the event of premature withdrawal of these deposits under abovementioned exceptional circumstances, the Bank will not pay any interest on the principal amount of the deposit. Any interest credited or paid upto the date of such premature closure will be recovered from the deposit amount.
