The Bank shall be entitled to vary the Margin at any time at its discretion.

"**LIBOR**" means the British Bankers' Association Interest Settlement Rate for US Dollars for a period comparable to the Interest Period displayed on the Dow Jones Telerate screen at 11.00 a.m. London time, two Business Days before the start of each Interest Period. If the agreed page is replaced or service ceases to be available, the Bank may specify another page or service displaying the appropriate rate and LIBOR shall be construed accordingly.

Each "Interest Period" shall be for the number of calendar months corresponding to the LIBOR specified in the Facility Confirmation Advice. For instance and byway of illustration only, where the applicable LIBOR rate is specified as 3 month LIBOR, the Interest Period shall be 3 months, where the LIBOR is 6 month LIBOR, the Interest Period shall be 6 months. The first Interest Period shall start on the date of drawdown of the Facility. Each successive Interest Period shall start on the last date of the immediately preceding Interest Period. Provided that in cases where an Interest Period extends beyond the Maturity Date / final repayment date specified in the Facility Confirmation Advice, all accrued interest together with the Principal Amount and all Secured Obligations shall be payable on the Maturity Date / final repayment date.

If a Market Disruption Event (as hereinafter defined) occurs for any Interest Period, then the rate of interest on the Facility for that Interest Period shall be the rate per annum, which is the sum of:

- (a) the Margin; and
- (b) the rate notified by the Bank as the rate which is expressed as a percentage rate per annum the cost to the Bank of funding the Facility from whatever source it may reasonably select.

In these Secured Loan Terms, "**Market Disruption Event**" means:

- (i) at or about noon in London two Business Days before the start of the relevant Interest Period, LIBOR is not available; or
- (ii) before close of business in Singapore two Business Days before the start of the relevant Interest Period, the Bank notifies the Borrower that the reference rate to it of obtaining matching deposits in the relevant interbank market would be greater than LIBOR or would not be linked to LIBOR.

All interest on the Facility shall be charged and payable at the respective rates provided under the Application and Facility Confirmation Advice up to the date of full payment of the amounts due, or the due date thereof, whichever is later. Any interest rate, margin and/ or interest rate benchmark may be varied by the Bank during the duration of the Facility by notice of such variation. Notwithstanding the foregoing, the notice requirement shall not apply to variations in the Bank's Prime rate and any interest rate arising from variation of the Bank's Prime rate. The Bank shall be entitled at any time to vary the Bank's Prime rate without prior notice.

Any overdue and unpaid interest/commission shall be capitalised each month and added to the Principal Amount for the purpose of calculating subsequent interest.

Any amounts that are not paid when due in accordance with these Secured Loan Terms shall carry additional interest of 3% p.a. over and above the interest specified in the Facility Confirmation Advice (both before and after judgment thereof).

7. Change in Circumstances

- 7.1 If at any time it is or will become unlawful or contrary to any law or directive of any agency of any country for the Bank to allow all or part of the Facility to remain outstanding, to make, fund or allow to remain outstanding all or part of the Facility, to carry out all or any of its other obligations under these Terms and/or to charge or receive interest at the rate or rates applicable, then upon the Bank notifying the Borrower of the nature and circumstances thereto:

- (a) the Facility shall be cancelled forthwith; and
 - (b) the Borrower shall repay the Secured Obligations on such date as the Bank shall demand together with accrued interest thereon and any other sum then due to the Bank under these Secured Loan Terms.
- 7.2 If any change in any applicable law, regulations or official requirements in Singapore or India or under any applicable law will subject the Bank to any tax, deduction, or withholding of any nature with respect to these Secured Loan Terms or the Facility, the Bank shall notify the Borrower and the Borrower shall pay to the Bank on demand such amount as will compensate the Bank for any additional costs which the Bank will have to incur in making, maintaining or funding the Facility or any loss suffered by the Bank as a result of any reduction in the amount of payment received by the Bank hereunder.
